

# PRIYANKA

Los Angeles, USA | priyanka@gmail.com |

I am a passionate and dedicated software developer with a strong foundation in coding, problem-solving, and building user-friendly applications. I enjoy bringing ideas to life through technology and have experience working on projects that involve web development, responsive design, and programming.

## EXPERIENCE

JUNE 2023 -  
AUGUST 2023

### SOFTWARE DEVELOPER INTERN

Developed and maintained user-friendly web applications using HTML, CSS, and JavaScript. Collaborated with cross-functional teams to enhance application functionality and performance.

JANUARY 2023 -  
MAY 2023

### FREELANCE SOFTWARE DEVELOPER

Designed and deployed responsive websites for small businesses. Integrated interactive features and ensured seamless functionality across devices.

## EDUCATION

JUNE 2023

### HIGH SCHOOL DIPLOMA

Excelled in science and mathematics, laying a foundation for programming and problem-solving.

MARCH 2023

### CERTIFICATE IN WEB DEVELOPMENT

Covered topics like HTML, CSS, JavaScript, and responsive design principles.

## SKILLS

- **HTML, CSS, JavaScript:** Proficient in creating responsive and interactive websites, ensuring cross-browser compatibility and user-friendly design.
- Excellent communication skills, both verbal and written
- **Basic knowledge of C++:** Familiar with core programming concepts such as data types, control structures, and functions; used C++ to solve algorithmic problems and build small applications. Attention to detail and accuracy in medication dispensing and record-keeping
- Graphic Design using Canva

## CERTIFICATIONS

successfully completed the **Web Development** course from FreeCodeCamp, gaining hands-on experience in HTML, CSS, JavaScript, and web design principles. In addition, I was honored with the **Best Project Award** at the **Science Fair 2022** for my innovative project on automation, where I designed a system using basic programming to streamline routine tasks.
